Established in 1995, the AGBU Young Professionals (YP) is a growing network of groups and supporters around the world who preserve and promote the Armenian identity and heritage for young Armenians between the ages of 22 to 40.

Inspiring YPs to get involved and stay involved, the YP Network has acquired an international reputation for fostering a sense of community and belonging thanks to its open-door policy.

Civic-minded and benevolent, YP Groups and Partners make Armenian communities thriving, better places to live by:

- Engaging thousands worldwide through educational, cultural, and social events
- Fundraising for worthwhile AGBU initiatives locally, in Armenia, and which need our greatest attention
- Harnessing their collective power through cooperation and collaboration on regional and global projects

An integral part of the AGBU family, YP Groups work closely with AGBU Districts, Chapters, and Schools on joint initiatives, and also participate in signature AGBU events, such as FOCUS, the General Assembly, and the World Games.

The AGBU Young Professionals brings together young Armenians from all walks of life to serve the greater good.

Diverse yet unified, we share one common goal: to preserve and promote the Armenian identity and heritage.
